# 2019 Updates

- ▣ Two radar speed signs were installed on February 7 along Loch highlands Drive.
- ▣ The Town of Cary did some preliminary data collection from the two traffic devices, but no definitive conclusions could be drawn.
- ▣ The Town will collect additional data using the rubber tubes and re-assess the combined information and report their findings sometime in October.
- ▣ There are no plans at this time to add any additional traffic calming devices.
